Seems like yesterday we used to rock the show  
 I laced the track, you locked the flow  
 So far from hangin' on the block for dough  
 Notorious they got to know that  
 Life ain't always what it seem to be  
 Words can't express what you mean to me  
 Even though you're gone we still a team  
 Thru your family I'll fulfill your dreams  
 In the future can't wait to see if you'll  
 Open up the gates for me  
 Reminisce sometime the night they took my friend  
 Try to black it out, but it plays again  
 When it's real feelings hard to conceal  
 Can't imagine all the pain I feel  
 Give anything to hear half your breath  
 I know you still livin' your life after death

It's kinda hard wit you not around  
 Know you in Heaven smilin' down  
 Watching us while we pray for you  
 Everyday we pray for you  
 Till the day we meet again  
 In my heart is where I keep you friend  
 Memories give me the strength I need to proceed  
 Strength I need to believe  
 My thoughts, Big, I just can't define  
 Wish I could turn back the hands of time  
 Us and the six shop for new clothes and kicks  
 You and me takin' flics  
 Makin' hits, stages they receive you on  
 Still can't believe you're gone  
 Give anything to hear half your breath  
 I know you still livin' your life after death
